## 10 MILLION FOR LINCOLN

### COUNTY DEBENTURES WILL ALL BE PAID OFF BY 1945

Have Paid Off \$260,200 This Year — Have \$440,598 In a Sinking Fund — Only \$7,000 In County Rates Outstanding.

#### IN FINE SHAPE

\$1,247 Recovered From The Provincial Government As a Result of Probing Administration of Justice Accounts.

Lincoln County has recovered \$1,247.50 from the provincial government as a result of a probing of the criminal justice accounts over a period of years. William Heaslip, warden last year, and County Treasurer W. H. Millward discovered that the county had not presented the province with an account covering all that the province would have paid as its share of the administration of justice accounts.

Mr. Heaslip was given considerable credit by the members of council for the efforts he had taken to check the old accounts.

The schedule presented to the government for unpaid accounts totalled \$1,463.86, due from accounts of 1939-40-41, which had not been charged against the government. Mr. Heaslip and Mr. Millward conferred with H. R. Adamson, auditor of the criminal justice accounts for the province, on March 25. He agreed on behalf of the government to pay moneys owing from Jan. 1, 1936, although such accounts usually must be rendered in their current quarter. For

### Butter Producers Fail To Register

Every Farmer Must Have Registration Card if he Produces Butter, Even For Own Use.

If the surmise of the local Rationing Board for West Lincoln is correct, there are still some farmers in this district who are leaving themselves open to prosecution and conviction, for not registering with the Board, and securing a registration card that permits them to manufacture dairy butter.

Every producer of dairy butter who has registered as required by law, has a registration card. This card must be produced upon request. Farmers must also understand that they must register even if they are only making butter for their own household needs.

The Board is under the impression, well founded, that there are still some farmers who have neglected to register and the Board advises that they immediately do so and save themselves a lot of annoyance and possibly a heavy fine if they are prosecuted.

### Next of Kin Should Study Prisoner Of War Rules

National Defense Headquarters suggested in a statement Friday night that Canadian soldiers and their next of kin familiarize themselves with the convention relating to the treatment of prisoners of war, concluded at Geneva, Switzerland, in 1929.

The convention lays down the treatment to which prisoners of war are entitled. German soldiers now in Canadian prison camps apparently know the regulations thoroughly, thus indicating the extent of their training. Consequently, the headquarters statement said, they demand and receive good treatment.

Co-operation has been given them to the extent that many have

### Nelles Boulevard Is Nelles Avenue

Original Plan of Sub-Division And All Town Documents List it as Avenue — Press Boys Make Discovery.

Last week we told you that there was no such street, thoroughfare or highway in the town of Grimsby as Nelles Boulevard.

That statement is correct.

For years the street has been known as Nelles Boulevard, but it was only at last council meeting, while Clerk Bourne was monotonously droning his way through a voluminous document known as a bylaw, while the councillors drowsed in their seats, that the fact came to light.

The press boys were busily engaged in trying to find some hidden news out of Assistant Clerk Hummel, when all of a sudden Bruce Murdoch cocked up his left ear and said to The Independent "did you hear that?"

We listened and then we heard it again, "lot so-and-so on Nelles Avenue — lot so-and-so on Nelles Avenue."

That folks, is the right name. Nelles Avenue. In the original plans of the sub-division, in all other town documents the street appears as Nelles Avenue, therefore there can be no Nelles Boulevard, legally speaking.

### English Teacher Visits Schools

Corp. Exley, R. A. F., London, England, Spending Convalescence Leave With Jas. And Mrs. Baker.

A member of the Royal Air Force, now taking a Navigator's course at Mount Hope Air Base, has been the guest of James W. and Mrs. Baker for the past 10 days.

He is Corp. Arnold Exley, London, England and is spending a convalescence leave with Mr. and Mrs. Baker. He came to Canada in March, under the Commonwealth Air Training Plan and is wealthily taken up with Canada, particularly the Fruit Belt.

Corp. Exley in civilian life is a school teacher and he spent all last Wednesday visiting the Grimsby schools, conversing with the teachers and pupils and answering many questions for the pupils. He is very much interested in the Canadian Educational system.

On Wednesday night last he addressed the Grimsby Boy Scout Troop and told them some interesting tales of the British Isles and its people.

### Minimum Objective Is Two Million Higher Than Previous Subscriptions

Broken Down This Amount is to Come From General Canvas \$3,900,000; From Payroll Savings \$1,500,000; Special Names \$4,600,000 — By Purchasing Victory Bonds @ Their Very Limit The Public Have The Opportunity of Building Their Own Social Security For After The War — Do Not Find Yourself in The Same Spot Many Were in After The First Great War.

"The Declaration of Purpose of the Fourth Victory Loan is as follows:

"In a spirit of resolve that we of Canada may keep this country one where each can happily live, according to his conscience; and in a spirit of national pride wrought by the sacrifice and work of our forefathers, who for us won freedom; we, the trustees of Canada in this year of 1943, do solemnly declare this our single purpose:

"With God's help, so to think and act each day that we withhold from the nation no needed part of our personal resources; that we pour out our material wealth, our complete strength of soul and body, in order that we shall march together with our active service forces as a warrior nation, in the fear of the Lord to the day of the enemy's defeat and the beginning of a reconstructed world."

### Merchants Will Conduct Draws

Draw Will Be Held in Front of Post Office For Next Three Saturday Nights — \$5 Bills For Bond Payments.

For the next three Saturday nights, May 1st, 8th and 15th the retail merchants of Grimsby will conduct a draw in front of the Post office, at nine o'clock in the evening.

The draw will be run along the same lines as previously used when the merchants were conducting draws every Saturday night, in the summer months, for merchandise.

Coupons will be in all stores on Saturday and when you make a purchase you write your name and address on a coupon and the coupons are placed in a revolving barrel and shaken up. The first three tickets drawn from the barrel are the prize winners for the evening.

Instead of merchandise, this three weeks, the merchants are donating \$5 bills. Three of them. In order to claim the \$5, the winner must immediately agree to use it as the down payment on a \$50 Victory Bond. There will be a bond salesman present to fill out the applications for the winners and receive the down payments on the bonds.

Any person whose name is drawn that does not agree to use the \$5, as a down payment on a \$50 bond, does not receive the \$5, but instead another name will be drawn.

### TOTAL BOND SALES \$26,650 FOR THE FIRST TWO DAYS

### Grimsby Flyer Is Reported Missing

Sergt. James Carleton, Son of Mrs. Sarah Carleton, North Grimsby, Did Not Return From Air Operations.

For the second time within eight months, Mrs. Sarah Carleton, North Grimsby, has had the word conveyed to her, officially, that a son was missing overseas.

On Sunday Mrs. Carleton was notified that "Sergt. James Carleton, R.C.A.F. is reported missing after air operations."

Sergt. Carleton was a brother of Pte. John A. Carleton, R. H. L. I. who was badly wounded and taken prisoner at Dieppe; operated upon and had a leg amputated in October and died in a German prison camp in December. Grimsby's first army casualty.

Another brother Joseph, is with the Lincoln and Welland Regt., overseas.

The three Carleton boys, in this war, followed in the footsteps of their father, the late Joseph Carleton, who was a veteran of the "Mad Fourth" battalion of the last war.

### Discontinuing Delivery Service

St. John and Shaw to Take Truck Off The Road on and After May 10th—Cannot be Successfully Operated Under Rationing System.

The last of Grimsby's three butcher shops is announcing a discontinuance of their delivery service. The other two ceased delivering customers orders some months ago.

This week St. John and Shaw, "The Quality Meat Market" announce that on and after May 10th their delivery truck will be off the road.

For some time past this firm has had great difficulty in maintaining this service. Gasoline was short; tires were next to impossible to obtain and labor was scarce. There have been many times in the past few months when they did not know whether they were going to have manpower to operate the delivery truck or not.

With the rationing of meat, on the coupon system, coming into effect around the 20th of May, circumstances will be such that it will be impossible to continue the operation of a delivery service, hence the decision to discontinue the service entirely on and after May 10th.

Bowling meeting next Wednesday night at the Independent Office.

### Meat Charts Will Outline Coupon Value Of Each Cut

Deciding what kind of meat to spend ration coupons on won't be a complicated problem for Canadian housewives. Comprehensive charts now being prepared by the Wartime Prices and Trade Board which will be on display in every meat store when rationing begins.

The charts will show exactly how much of every type of meat and every kind of cut can be had for ration coupons. They'll be the official guide for both butcher and customer. Rationed meat are beef, veal, pork and mutton. Fancy meats, such as kidney, liver and brain will not be rationed. Fish and poultry will not be rationed, nor will cuts of meat containing more than 50 percent bone.

Preparing the charts now are men with long years of experience in the butchering trade, who have the benefit of experts in every field to assist them. It is no mean task. The charts must include all the information necessary for buying all the different cuts of meat. Although the weekly ration of meat is to be about two pounds per person, the coupon value of different cuts has still to be announced.

The ration charts to be displayed in all stores selling meat will divide beef, pork, mutton and lamb into their various cuts, and into their weight-classes, to compare with the value of the coupons, so that the housewife may tell at a glance, just how much.

Campaign Opened on Monday With Sales \$3,200 Below First Day Last Fall—Fewer Calls Made, Subscriptions Larger.

#### COUNTY IS HIGH

Grimsby Must Raise Its Objective or Our Own Boys And Girls in Fighting Forces Will Suffer.

Without flash, flourish or thumping of drums Grimsby salesmen of the Fourth Victory Loan went into action on Monday morning and for the first two days of the campaign, Monday and Tuesday have not fared so well. Total subscriptions up until Tuesday night are thousands of dollars behind the first two days of the Third Loan, last November.

On Monday total sales amounted to \$19,250, which was considered good for the first day despite the fact that it is \$3,200 lower than the sales on the first day in the Third campaign last fall. This is accounted for by the fact that far less people were called upon, on Monday, yet in every case of call the subscription was larger than last year.

Tuesday was a terrible day, both from a weather and a sales standpoint and as a result the second day fell away to practically nothing; only \$7,400 sales being made in comparison to \$12,300 in the last year.

According to statistics, every man woman and child in Canada

### Residents Ask For 201 Tons Of Sugar

3,509 Applications Representing 11,640 People Call For 402,868 Pounds Of Sweetening.

Final figures for canning sugar, for West Lincoln, as compiled by Armand B. Hummel, secretary of the local Rationing Board show that the people in this district made application for two hundred and one and a half tons of the commodity.

All told 3,509 applications representing 11,640 people were made for 402,868 pounds of sugar. This is an average of 35 pounds per person, which is considered a fairly high average.

The great percentage of applicants were very considerate in their requests, but there were a few, who made application for a far greater amount of sugar than it would be ever remotely possible for them to get. In fact there was the odd application that called for an amount of sugar that it is very doubtful that they would use anywhere near that amount in peace times when sugar is more than plentiful.

## SOCIAL AND PERSONAL

Walter and Mrs. Hoebel spent Easter in Toronto.

Cpl. Keith Brown, Trenton was home for Easter.

A. R. Globe was a business visitor to Ottawa this week.

Mrs. W. C. Morrison of Toronto, spent the Easter holiday with Janet W. Flett, Main St. W.

Mrs. C. W. Baxter of the Post Office staff is confined to her apartment with an attack of the flu.

We are pleased to note that T. Albert Flett is able to return home after a year's confinement to the Niagara Sanatorium at St. Catharines. He is greatly improved in health and is feeling like his old self again.

Mr. Frank A. Beamer, of Calgary, Alta., is spending three months with his sisters, Mrs. L. W. O'Reilly and Mrs. F. C. Anderson, of Hamilton, and Mrs. Morris Udell, of Grimsby. It is 35 years since Frank left Grimsby and he notes a great many changes.

Mr. and Mrs. Lorne Merritt, VanWagner's Beach; Mr. and Mrs. Alfred Farr, Smithville; Miss Jeanette McKenzie, Hamilton and Lance-Corp. Gordon and Mrs. White of Hamilton, spent the Easter weekend with Alex and Mrs. McKenzie. L./Cpl. White is now stationed at Kingston with the Signal Corp. and has only been discharged from a 35 day seige in the hospital.

Warden Chas. W. Durham and Deputy-Reeve Geo. W. Crittenden, Chairman of the County Education Committee, are in Toronto this week attending the convention of the Ontario Educational Association, as Lincoln County council representatives.

Gordon Marr, School of Practical Science, Toronto spent Easter with his parents, George and Mrs. Marr, Kerman avenue and left on Monday for Aymer where he will go into camp for two weeks with the University Air Training Cadets, after which he is joining the R.C.A.F.

At the annual meeting of the Lincoln County Children's Aid Society, in St. Catharines, last week, musical entertainment that was much enjoyed was provided by little Misses Joan Murray and Jean Little, who make their home with Warden Chas. W. and Mrs. Durham, Grimsby Beach.

Lt.-Col. Fred Kemp is now in Christie Street hospital under going treatment. He is under the care of another old Grimsby boy and school chum, Dr. Gordon Dale. He writes that he has been visited by Andy Clarke and the conversation consisted chiefly about old times and Old Timers in and around Grimsby.

On the recommendation of the Provincial and District Commissioners, the Chief Commissioner for Canada has appointed Miss Nina Creet, Beamsville, to be District Commissioner for West Lincoln.

Miss Creet's high qualifications as a Guide, her long experience and her devoted work among the Girl Guides of Beamsville, render her specially fitted for this appointment which will be warmly welcomed by the Guides of the District.

The pupils of U.S.S. No. 6, North Grimsby, entertained their parents and friends at the school last Thursday evening, April 22nd, to see the boys and girls in action and also a fine display of work done by the pupils in the various grades, the product of their own initiative and industry.

The girls and boys presented a programme of music, songs and plays together with exhibits of art, handicraft and hobbies which delighted the children to show and awakened a sense of pride in many of the parents to whom the activities were a revelation.

Through the year the children under the careful supervision of their teacher have knitted and sewed. Among the articles shown were the following: a set for a 1-year-old consisting of booties, sweater, cap and pants; 5 sweaters for 8 to 14 year-olds, several pairs of mitts, a scarf, baby jackets and bonnets; 3 aprons; a bed spread; a luncheon set, some 30 dish cloths and face cloths and a very fine afghan which is being presented to the ladies of the community to send overseas.

The proceeds from the sale of the children's work is being sent to the British War Victims.

Some weeks ago we wrote about survivors' bundles. 10,000 is the number asked for by the Naval Dept. 6,000 to be supplied by the Red Cross, 5,000 by the Navy League and 1,000 by the auxiliaries of the R.C.N.V.R.

The U-boat attack is now at its height.

What does a bundle consist of? 1 pair trousers, 1 belt 1 pair socks, 1 long-sleeved sweater, 1 pair shoes, 1 suit underwear (new), 1 cap, 1 pair mitts.

The White Elephant shop are accepting articles for us. Can you help?

The Sew-We-Knit Red Cross Group will meet at the home of Mrs. Neville, 20 Elizabeth St., on Friday, April 30th.

## I.O.D.E.

### HOME HOSPITALITY

The Provincial Convener of I.O.D.E. Wartime Home Hospitality reported at the annual meeting in Hamilton last week, that the Commanding Officer of a large camp stated "of all entertainment offered the members of the armed forces the Home Hospitality of the I.O.D.E. was the most important and of most value to the men. Camp life can never take the place of home life."

The scheme is working successfully in Grimsby through the Lincoln Loyalist Chapter. Since the last visit of twenty R. A. F. men from Mount Hope eight return visits have been made. Over Easter weekend eight new arrivals spent their first leave in Canada in Grimsby homes.

Two of the boys are spending their whole 10-day convalescent leave here. Two others also spent a week-end here earlier in the month, making a total of 17 visits.

The boys have been delighted, have proven to be most interesting guests and are deeply appreciative.

As the need increases more homes are needed. Anyone wishing to help in this worthy war effort is asked to get in touch with Mrs. L. A. Bromley, Phone 75R.

Recent guests included:

A.C. Bennett and A.C. Kass staying with Mr. and Mrs. Wm. Hewson.

L.A.C. Exley with Mr. and Mrs. J. Baker.

L.A.C. Bulman and L.A.C. Goodwin with Mr. and Mrs. L. A. Bromley.

L.A.C. Leak and L.A.C. Conway with Mr. and Mrs. R. Cloughley.

Cpl. Wicks and L.A.C. Murphy with Mr. and Mrs. R. O. Smith.

L.A.C. Gowland with Mr. and Mrs. F. Jewson.

## Navy League News

Recruiting for the R.C.N. goes on apace. Large numbers continue to join; young men of fine physique, who are given intensive training before being appointed to a ship. It is a great satisfaction to know the Canadian Navy has grown so rapidly and, in efficiency, is on a par with the Royal Navy.

Over sixty per cent of the personnel of the Royal Canadian Navy is afloat on active service. The balance is in training.

"Training for the Merchant Marine", an illustrated booklet issued by The Director of Merchant Seamen, Ottawa, suitable for young men between the ages of 17 and 22 may apply for training.

There are two Training Schools. St. Margaret's Sea Training School, Hubbards, Nova Scotia, and Marine Engineering Instruction School, Prescott, Ontario.

A copy of the above booklet lies at the offices of the Independent, where it may be seen on request. Any youths wishing for fuller particulars should leave their names and addresses with the Editor so they may be forwarded to headquarters.

## I.O.D.E.

The regular meeting of Lincoln Loyalist Chapter, I. O. D. E., was held on Monday, April 26th. Following the opening, one minute's silence was observed, in tribute to the fallen, with an especial thought for Mrs. Carleton, whose son, James, has been reported missing. He was the ward of the Chapter through his High School days.

War Service report showed that 129 parcels had been mailed to the local boys overseas, and cards had been sent to the 18 officers.

Wearing apparel was sent to prisoners of war, also cigarettes were ordered for six local boys who are prisoners. A bale was sent to Provincial Headquarters, including a layette donated by the Grimsby Mothers' Club, for the bombed victims of Britain. A lovely quilt, and some used garments, were donated by the Rebekah's for the Polish Relief. A gift of \$15.00 was received from the Good Neighbor's Club.

Eight Service boys were entertained in Grimsby homes over the weekend. Constable Turner has been advised that if any service boys passing through Grimsby need overnight shelter, he is to get in touch with Mrs. Bromley or Mrs. Warner.

Mrs. Leckie gave a very interesting report on our adopted ship, the "Interceptor", which includes a Commander and nine ratings. Mrs. Leckie has the names of these men, if anyone would care to take a personal interest in their welfare by sending magazines, books, cards, etc. A very nice box of treats has already been sent forward. It has been decided to send the radio belonging to the Chapter to our adopted ship.

Mrs. Fairbank informed the members that the ditty bags have been received, and would be handed out to anyone wishing to fill one.

Mrs. Warner reported a quantity of wool on hand, and she is in need of knitters.

Our Regent concluded the meeting with a brief and most interesting resume of the Provincial Annual Meeting, held in Hamilton last week.

## In Memoriam

SOWERBY, THOMAS—In memory of my dear father who passed away April 27th, 1941.

Lovingly remembered by his daughter, Nellie.

SCHWAB—In loving memory of a dear wife and mother, Mrs. Nellie Jane Schwab, who passed away May 2nd, 1942.

The happy hours we once enjoyed, How sweet their memory still, But death has left a loneliness, This world can never fill.

No one knows the silent heartaches, Only those who have lost can tell, Of the grief that we bear in silence, For the one we loved so well.

Ever remembered by Husband, Fred, Clifford, and Myrtle.

A traveller says that cannibals will not eat a person after having been introduced. But suppose one muffs the introduction?

An authority says poorer people live longer than the wealthy. Maybe it's because the rich are taxed to death.

## In Memoriam

HENRY — In loving memory of Fred C. Henry, who passed away April 27th, 1940.

To-night the stars are gleaming On a lonely silent grave. Where sleeps in dreamless slumber One we loved but could not save. No one knows the silent heartaches, Only those who have lost can tell, Of the grief that we bear in silence, For the one we loved so well.

Sadly remembered by mother and Maurice (overseas).

**Men Born From 1902 to 1924 Must Prove Compliance With Mobilization Regulations When Asking Permits to Seek Employment**

**BY** Order pursuant to National Selective Service Civilian Regulations, a change is now made in the issue of permits to seek employment.

After April 30, 1943, permits may be refused to any man born from 1902 to 1924, inclusive, who has reached 19, unless he presents satisfactory evidence of compliance with Mobilization Regulations, in one of the following forms:

(a) A certificate of discharge from His Majesty's Forces during this war; or (b) a rejection slip issued by the Army on application for enlistment; or (c) a certificate of medical examination from the Registrar of a Mobilization Board; or (d) a postponement order certificate from the Registrar of a Mobilization Board; or (e) if born from 1902 to 1916 inclusive, a statutory declaration on form available in employment office, that he is not a "single person" under Mobilization Regulations.

Documents in (a), (b) and (c) above need be presented only the first time a permit is sought after April 30, 1943, unless asked for by a Selective Service Officer. Documents in (c) and (d) above must be presented each time a permit is applied for.

(1) Persons applying for permits by mail should send with their applications the evidence required, except (c) above.  
 (2) A Selective Service Officer MAY furnish a permit without first being handed evidence, where the applicant's services are required for immediate employment, or where a permit is asked for by mail, but in these cases the evidence must be presented to the Selective Service Officer later, usually WITHIN THREE DAYS of the issue of the permit.

All men born from 1902 to 1924, who have reached age 19, are urged to co-operate with your Employment and Selective Service Office. Bring your documents with you.

**Red Cross News**

The April meeting of the Grimsby and District Red Cross was held on April 27th, in the Red Cross Rooms.

A final report of the Red Cross Campaign showed a total of \$7,844.20. The Red Cross wish to particularly thank the Lions Club, Mr. Boehm, and his committee, for their most successful efforts.

The following letter has been received by the local branch from the President of the Ontario Division:

"Dear Mrs. Wolfenden:  
 We are all so delighted with the success of the Campaign in your area that I want, on behalf of the Division, to thank all who have worked so hard to reach the objective."

It is thrilling indeed that so many Branches have exceeded their quota. It puts new heart into us at Headquarters. Congratulations. Warmest thanks.

All good wishes for continued success and satisfaction in your undertakings. The Red Cross cannot fail to do its job with such support and understanding of our responsibilities.

Sincerely yours,  
 Clela Ellis,  
 (Mrs. Arthur W. Ellis)  
 President, Ontario Division.

Mrs. W. W. Johnson, our Liaison Officer for Prisoners of War, was welcomed back for the first time since her illness.

Mrs. Dymond, W.P.T.B. Liaison officer, gave her report and stressed particularly the need of conservation, since so many of our factories are working for the services, almost 95% being so employed.

Miss Crane gave the final result of the St. John's Ambulance Course, 24 candidates having taken all the lectures, and all passed successfully. Sincere thanks are extended to Dr. B. T. Rogers, Mr. Norman, and Dr. A. F. McIntyre, for their work in connection with the course.

**Boy Scouts**

Great excitement was shown on Wednesday night last when the Grimsby Lions troop lowered their trek cart from the upstairs workroom of Scott and Sangster's shop.

Through the kindness of Ewart Stonehouse, who donated the old horse drawn hearse to the troop and Wm. Sangster, who spent many trips up the stairs to help the boys fix the axle and spring assembly, the troop are now in possession of one of the finest trek carts that any troop could possess.

This cart has ball bearing wheels standing 5 feet in height. A body large enough to handle stretch cases in case of air raids, and also will serve to take all their equipment to camp this summer. The troop wish to thank Mr. Stonehouse and Mr. Sangster for their kindnesses.

As a trial run the troop took their trek cart through town and up to the high school grounds where instruction was given by Asst. Scoutmaster Don Pettit on how to handle the trek cart. On arrival at the high school Corporal Arnold Exley R.A.F., Mount Hope, spoke to the scouts on scouting and camping in England.

Tenderfoot scouts Bruce Mason, Allan Baisley, Murray Nelson and Steve Hooper are working hard on their tests and, expect to receive their investiture soon, which will make them full fledged scouts with privileges to start earning badges and wearing their complete uniform.

On Wednesday, April 28th, the boys enjoyed a hike. They left Grimsby at 9 a.m. and marched off in one group instead of breaking up into patrols as on previous occasions. This hike was particularly interesting to those scouts who are trying tests as instruction was given and examinations held for all those trying for first and second class badges. A report on this hike will be given next week.

Scouts are reminded that there will be a summer camp held this year if at all possible. Your leaders are making inquiries as to possible camp sites, Food rationing, and transportation. Camp will be held during the month of July.

**Obituary**

**ENOS L. FISHER**

Grimsby residents were greatly shocked on Saturday to learn of the sudden death, in Kenmore, N.Y. on Good Friday, of Enos L. Fisher, in his 51st year.

Deceased was born, raised and educated in Grimsby and had resided here up until a few years ago when he moved to Kenmore, N.Y. and engaged in the contracting business.

About a year ago he suffered from a heart condition and with Mrs. Fisher came back to Grimsby to reside with Mrs. Fisher's parents, George and Mrs. McNinch, Oak street, while recuperating. His condition did not respond to treatment for a great period of time and it was only recently that he was able to be out and around again.

It was only on Monday of last week that they returned to their home in Kenmore, thus his sudden demise on Friday came as a great shock.

The late Mr. Fisher was a son of the late Amos and Mrs. Fisher, and as a young man was very prominent in sports, being considered one of the best hard ball players in the Fruit Belt.

He was a member of Union Lodge No. 7 A.F. & A.M., and of St. John's Presbyterian church.

Surviving besides his wife, the former Edna McNinch, are five brothers, Wilmer of Oshawa; Arthur in Ohio; Norman in British Columbia; Wallace of Stratford and Wray of Grimsby.

The remains were brought to Grimsby on Saturday afternoon and rested at the Stonehouse Funeral Home until Monday afternoon when services were held by Rev. George Taylor-Munro. Interment was made in Queen's Lawn cemetery.

Casket bearers were, Dr. Harold B. Brownlee, Arthur Culp, Albert Jarvis, J. O. Moore, A. B. Bourne, Awrey Lipsit.

**SPECIAL ARMY COURSE AT McMASTER UNIVERSITY**

Arrangements are being completed by the Department of National Defence, Army, and a number of Canadian Universities, for the conducting of what will be known as the No. 2 Canadian Army University Course, McMaster University is one of the institutions co-operating in the scheme, and an announcement is being made through the secondary schools of the Niagara district to encourage eligible students to apply immediately. Applications should be made immediately, the Chancellor explains, because the universities must first admit the candidates and afterwards the Army will give medical and aptitude tests. This means a period of delay between the first application and the final acceptance of the candidate.

The work closely parallels the first year of the Mathematics and Physics course at the University, and McMaster will give credit for one year of work at the completion of the course. Candidates must have complete Grade XIII standing and preference will be given to those having good standing in Physics and Mathematics. Applicants will be accepted by the University tentatively on the recommendation of school principals, but thereafter the boys must remain at school until the end of the session and must write and pass examinations of Grade XIII. No boys thinking of this course can be allowed to leave school early for farm work or any other activity outside of school.

The object of the course is to produce potential officers for the

Technical Arms and Corps of the Army. Therefore, the following conditions are laid down: Candidates must pass medical and aptitude tests, must enlist in the Canadian Army Active, and must be between the ages of seventeen and nineteen. Successful candidates will be accommodated at the University in the residence, and will receive at public expense tuition, text books, board, lodging, medical and dental attention, and will receive standard rates of pay, either as boys or as men.

Applications are to be sent to Mr. G. M. Henry, Rensar, at McMaster University.

CLARENCE HENRY RUSHTON, maker of champions and near champs, with his arms full of silverware. The one cup is the Junior "C", O.H.A. Championship mug and the other is a softball cup won by the Peach Kings. Big Rush has had in the past 10 years more championship or finalist teams in softball and hockey than all the other sports promoters in the Fruit Belt put together. Tonight he will be the big pooh-bah at the banquet being held in the Village Inn for the Peach Buds, finalists this year in the Juvenile O.M.H.A. and after that he will settle down to hard work to try and dig himself up enough players to form a softball team for the season.

## HIGHWAY BOVLERS LEAGUE CHAMPIONS AGAIN

## Generals Win Consolation Series

The Grimsby Bowling League finished its season on Monday night before the largest group of spectators of the year. The main attraction, centered between the Highway and the Black Cats, went the full five games before the winners could be decided. In the fifth and final game the Highway boys turned on the steam and rolled up a 1133 score to take the championship for another year.

In the consolation series between the Generals and Sheet Metal, the former team proved too powerful and downed the metal workers in three straight games with two of their team scores well over the 1000 mark.

The following are the individual and team scores for the final playoffs:

## Plans Air Service Across Ocean

Trans-Canada Air Lines, Canada's national air service, plans a trans-oceanic service, according to an announcement recently made by H. J. Symington, K.C., President, in his annual report tabled in the House of Commons. Mr. Symington declared that T.C.A. is destined to play an important part in world aviation. "Canada occupies an important position in the future of the air world," he said. "The shortest routes between North America and Europe and Asia cross Canada and weather conditions are stable. Formulation of detailed programmes must await developments."

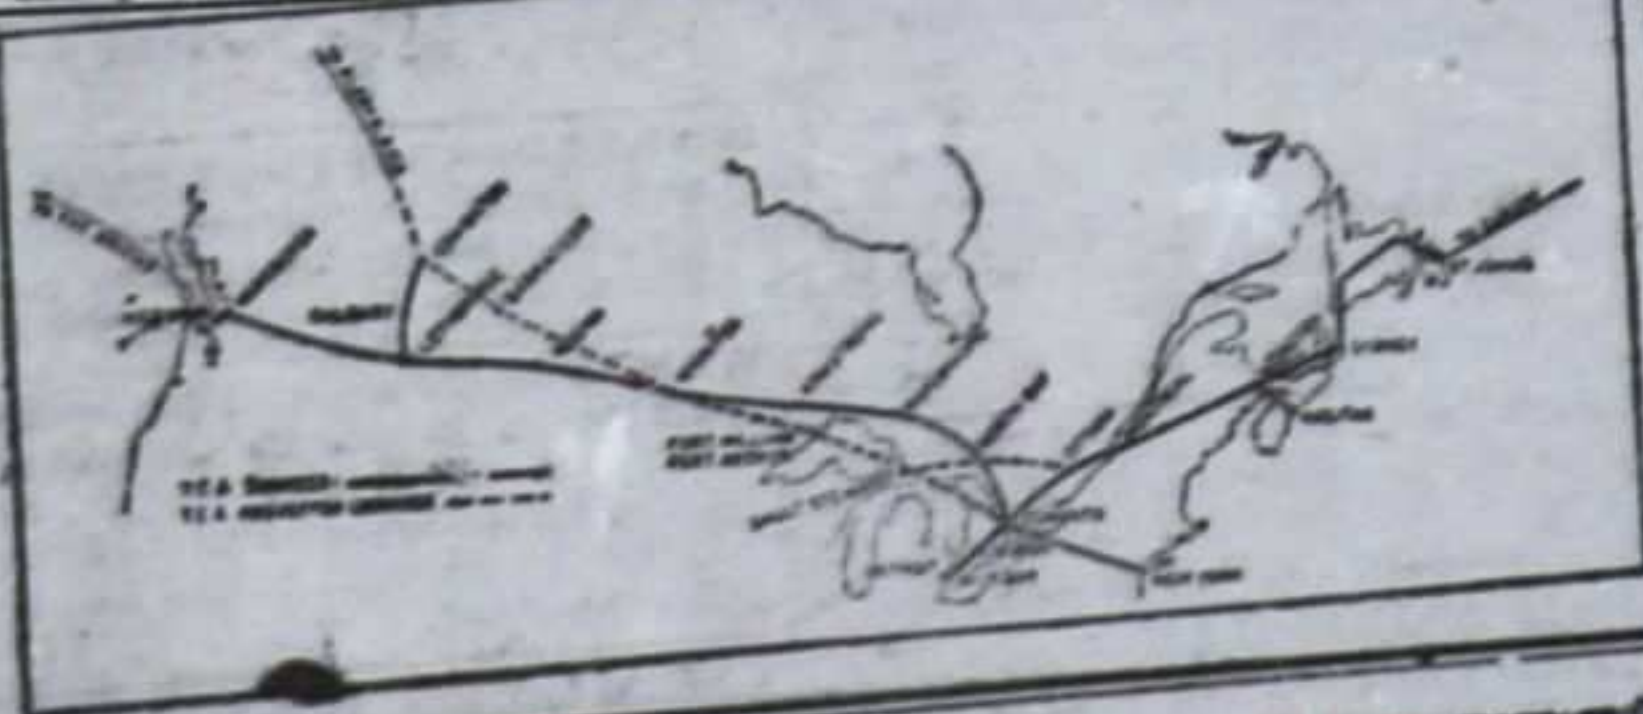

Three T.C.A. flight crews have been flying the Atlantic supplementing the crews of British Overseas Airways Corporation, the report revealed. The crews assigned to this duty in 1942 were composed of captain, first officer, flight engineer, navigator and radio operator. The navigators were seconded from the R.C.A.F. for duty with the company. At Montreal airport maintenance and overhaul on the British Overseas air transports is performed by T.C.A. More than 200 mechanics are engaged in this work.

Mr. Symington also announced that Trans-Canada plans a shorter route for its Canadian transcontinental service, the new route when opened to be over Lakes Huron and Superior, instead of to the north of those lakes, and thence to points of exit in western Canada and the Yukon territory.

Extension of the Company's service to the Yukon Territory and Alaska has been deferred, Alaska having been declared a military zone by the United States Government and all civil flying operations prohibited there.

H. J. Symington, K.C.

More than 1,000,000 shaving sets, weighing as much as ten street cars, have been purchased for the fighting services of Canada. Your Victory Bonds will help pay for them.

Last month (March), according to the report, 11,934 accidents were reported to the Board, including 40 fatalities. For the year 1942, there were 133,513 industrial accidents in Ontario alone.

The North Grimsby township stone quarry opened Monday and will employ between ten and fifteen men, taking out sufficient stone for township road repairs. Thomas Mackie, road superintendent, is in charge of the work.

Word has been received through the Red Cross Society by the mother of Pte. E. J. Priddle, Thirty Mountain, who is a prisoner of war in Germany, that his wife, whom he married just before the raid on Dieppe, also her mother, had been killed in a recent raid on England.

Meat rationing in Canada affects every Canadian equally, "from the cradle to the grave," Wartime Prices and Trade Board announcements have shown. Infants will be entitled to their weekly ration because meat enters into their diet after they are a few months old.

During the first quarter of 1943, there were 32,683 industrial accidents in Ontario, including 107 fatalities. These figures are from reports of the Workmen's Compensation Board, and released to industry by the Industrial Accident Prevention Association.

While Victoria Day, May 24th, has been eliminated as a statutory holiday for the duration, many towns and villages in the province will observe it as usual on Monday, May 24th. Grimsby merchants will observe the holiday and all retail places of business will be closed on that date.

A momentary lapse while driving on the Queen Elizabeth Way at Beamsville proved expensive for J. E. O'Connor, of Toronto. His car was totally wrecked when it crashed into the rear of a truck going in the same direction, and on Saturday he was fined \$20 and costs by Magistrate J. H. Campbell on a careless driving charge.

The Department of Health of St. Catharines has been awarded top honors for the third consecutive year by the Canadian Public Health Association for having the most efficient health department in 1942 among cities with a part-time medical officer of health. In 1943 St. Catharines will be out of this category as Dr. Currey has been named full-time M.O.H.

While H. P. Corey was visiting at the home of Eric E. Ewing, 33 Main street east, on Sunday evening, he left his automobile parked in the driveway beside the house. When he was ready to go home the car was missing. Chief W. W. Turner was notified and on Monday morning St. Catharines police reported that they had located the car abandoned in that city.

Poultry is one meat that will not be rationed when meat rationing goes into effect in May. This means, say officials of the Poultry Division, Dominion Department of Agriculture, that the demand for poultry meat which is already large, will be substantially increased. With only limited supplies of poultry in cold storage, the increased demand can only be met by increased production.

Walter E. Johnston, aged 29, escaped from the Lincoln County Jail shortly before four o'clock Tuesday morning after he had sawed his way from a cell and attacked Oscar Lamberton, turnkey. Johnston partially trussed up the dazed Lamberton with a bed sheet, locked him in the north cell block, kicked out a window, and leaped 10 feet into the jail front yard to make good his daring escape.

Corp. James Channon, R.C.O.C., Toronto, has been awarded a Canadian Efficiency Medal, in the list of awards published this week by the Department of National Defence.

Mrs. Nellie Thompson of Windsor has purchased the Edward Adkins house and lot on Robinson street south, recently occupied by Wm. Liles and family. It will be occupied by James Dunham and family.

Mr. J. C. King of the local High School staff is attending the Ontario Educational Association in Toronto, this week, where he is addressing the Physical Education Section on the topic "Methods of Teaching Aircraft Recognition."

Believed unique in Canada are three Thorold parents who not only have supplied 18 sons to the armed forces, but now are buying Victory Bonds to supply those sons with the weapons of war. The parents who bought the bonds, each of them with six sons in uniform, are John Devine, 81 Pine street north, Mrs. Charles Jane, 71 Welland street, and Henry Duckett, 132 Queen street. Mr. Devine, a superintendent at the Ontario Paper Co., has a family of 11 children, and Monday he bought \$11,000 worth of bonds—\$1,000 for each son and daughter.

Lions Club, next Tuesday night. Meatless Tuesday's in hotels and restaurants start next week.

The new four-cent postage stamps are now on sale at the Post Office, Postmaster Bromley receiving a supply on Monday.

must buy a \$100 bond in order to reach the objective of one billion, one hundred million. That is the way it works out according to population.

The people of this district, of Ontario and Canada must realize that this amount of money has got to be raised. Otherwise our war effort will be hampered by the lack of food, clothing, equipment and medical supplies.

It is up to every resident of this district to buy every last bond that it is possible. They must decide to save every nickel and scrimp every dime in order to pay for those bonds. The need is great.

First day's results in Lincoln County indicate a whole-hearted response which has exceeded opening day of the third loan last October. A total of \$295,000 was subscribed yesterday, \$114,350 in excess of the \$180,650 subscribed on the first day in the third loan.

Of the more than one-quarter of a million dollars invested throughout the county, \$133,900 came from the general canvass of salesmen in St. Catharines, and \$50,000 in special names in St. Catharines, the remaining \$111,100 being subscribed in county communities.

# A profession of faith

**W**e have faith in Canada that the courage of the pioneers and the spirit which achieved Confederation and linked a continent with the shining steel of railways have laid strong foundations for national greatness and unity.

**W**e have faith in her present—in the part she is playing to save the world from tyranny...in her young men and women who serve on land and sea and in the air...in her workers who labour for more than wages...in every man and woman and child striving for Victory.

**W**e have faith in her future—believing that she is destined to exert an increasing influence in world affairs, and in the shaping of tomorrow, when many will turn to her with new hope.

**W**e have faith in more than the statistics of Canada's bank clearings and her car-loadings, the vastness of

her untapped resources, or even the glorious war record of a people numbering less than twelve millions.

**W**e have faith in a faith in a land we love, whose soul speaks to us from every free acre of Canadian soil...in the splendour of the Rockies at sunset, the blue mystery of a Laurentian dawn, the quiet of an Ontario woodlot, the far call of prairie horizons, the sound of surf on the Atlantic shore and the wash of the Pacific tides. It speaks to us from churchyards where Canadian dead lie beneath the tribute of English blossoms...from the poppyed fields of France and Flanders...from the winged and seafaring and mechanized epics of a new war.

**W**e have faith in her people...people, noted and obscure, with whom we daily rub shoulders...and by whose united effort, sacrifice and creative vigour the greater Canada of tomorrow will be built.

**W**e have faith in Canada

## Away Back When

Frank Fairborn, Jr.

One upon a time the late Ken, Grout just about put a village nomination meeting on the plink by persistent asking of the question "who ordered the coffee". For many months a great majority of the citizenry were in a fog as to just what Ken was getting at. A lot of old-timers still do not know what he had under his hat. From a copy of The Independent of June 6th, 1895, I find a solution to the problem. In a report of the monthly meeting of the Fire Department I find this motion: "Moved by W. F. Randall, seconded by W. A. Housser, that the thanks of this company be extended to William Forbes, for his kindness in ordering up a lunch in the Mansion House, for the firemen on the night of the basket factory fire."

The fire referred to was the Carpenter Basket Factory fire on the night of April 4th, 1895, at which time Squire Forbes "ordered the coffee" but the village council had to pay the bill. That was the stickler in Ken's financial crop.

In June of '95, wheat was \$1. a bushel, afloat at Fort William. . . C. D. and E. D. Green, dentists, of Hamilton were offering a set of upper and lower false teeth for \$5. . . Albert Terryberry was opening an Art Studio over Phipps Bros. Store. . . The new canal at Sault Ste. Marie was opened. . . Toronto citizens voted down a proposal that the city build and operate a civic electric light plant. . . Rev. Jas. Awde of the Methodist church was attending conference in Hamilton. . . Evangelist Leonard Weaver was holding meetings throughout the district. . . E. M. Mihell was building a new residence on Depot street (now occupied by Sammy Levine). . . Rev. D. V. Lucas returned from an extended lecture tour. . . W. W. Kidd had a complete stock of lumber, lath, shingles and cedar posts on hand at his planing mill. . . Dunlop, the St. Catharines gardener, was supplying Grimsby with all kinds of fresh vegetables. . . Stroud and Son shipped 95 head of cattle from Grimsby, paying an average of \$52. per head. . . J. Albert Marsh decided to quit bicycling and offered his Ragon Cushion tyre safety bicycle for sale at a bargain. . . J. Ambrose Pettit was selling real estate in a big way. He sold three portions of his large farm on the main road, to L. Weaver, 24 acres; to W. Crouch, 15 acres; and to J. Briscoe 10 acres at figures ranging from \$150 to \$200 per acre.

The Editor of The Independent must have been dry in June of '95, for here is an editorial he penned about the construction of a waterworks system:

"It is generally along in September when we begin to think about and talk about waterworks, but the hot dry weather of May and June to date makes us revert to the subject a little earlier in the year. Grimsby's water supply is already in a precarious condition. If such is the case at June 4th, what will be the condition of things at Sept. 15th? The only answer in our opinion that applies is that the condition of things in this town by September 1st, as far as water is concerned, will be terribly inconvenient as well as highly dangerous. Our council and people will have to face this question some day and the sooner the better for the town."

"A waterworks system can be put in here for little more than one-half what it cost Beamsville, yet Beamsville council faced the music like men and carried their big undertaking through successfully."

Oh, but what about the taxes? We hear somebody say: We can't pay the taxes. We are too heavily taxed now, etc. Taxes cut no figure when a man's home is burnt up. Taxes cut no figure when a man can't get water enough to wash his face. It's a grand investment to save \$5 on taxes and pay \$20 extra on insurance rates. It's a grand investment to save \$3 on taxes and pay \$10 for drawing water to fill the well. It's a grand investment to save \$10 on taxes and lose \$1,000 on a fire. Taxes cut no figure in this question. Waterworks can be made self sustaining in Grimsby so that the town can have all the advantages without any taxation. Charley Lewis says we can get a complete system of waterworks for \$6,000. If we can let's have 'em right away."

That editorial did not bear fruit, nor did many more of a like nature until 1904 when the first unit of our present excellent system was built.

Ever since Grimsby Park has been Grimsby Park and Beach it has been more or less a subject of attack from some source or other. Even 48 years ago there was trouble brewing in this fine old park. Read the following and judge for yourself.

"The annual session of the Hamilton conference of the Methodist church is now being held in Hamilton. On Monday W. J. Waugh gave notice of the following motion:

"That whereas there is within the boundaries of the Hamilton conference a summer resort known as the Grimsby Park, owned and controlled by prominent ministers and laymen of the Methodist church; and whereas an admission fee is charged at the gate of said park on the Sabbath day to secure which a number of men are kept employed: resolved, that we, the members of the Hamilton conference, desire to place on record our disapproval of the management of said park in the charging of the admission

Put your money on the winner, for this may well be the year of the second front, the all-out drive that will set the Hounds of Hitler back on their heels. Back it up with every dollar you can scrape together; go without non-essentials.

The sacrifice is nothing compared with the alternative. Give our boys the weapons they need and let them smash the enemy. Lend your money for victory. . . Remember it's Freedom versus Slavery. Put your money on Freedom to win.

fee and employment of men on the Sabbath declaring the same to be a desecration and violation of that day."

### COUNTRY DOCTOR

Old Doc Smith has his rounds to go  
To the ill and well, to the high and low,  
And he plows his way through the whirl of snow,  
The worst of the blizzard weather scorning.  
Then it's "Out with your tongue, and let me see;  
You have athlete's foot; you have housemaid's knee;  
So you'll drink this down and you'll sleep," says he,  
"And you'll be all right in the morning."

Old Doc Smith, with his pills and such,  
Is wise and shrewd with the human touch,  
And he knows right off that you ate too much,  
So he shakes his finger for a warning.  
Then he gives you a dose that is black and strong  
And its taste is bitter and it lasts too long.  
But you're glad when he laughs—for he can't be  
wrong—  
"You'll be all right in the morning."

Old Doc Smith has a lot to do,  
He has far to go and he's never through,  
So you can't see how he has time for you  
With all the dying and a-borning.  
But he'll put you to bed and he'll tuck you in,  
And you know you'll live, for you see him grin  
And you hear him growl as he strokes his chin  
"You'll be all right in the morning."

### THE OLD HOME

O wandering, wandering feet,  
Turn now and wander home;

I've followed you far o'er moor and glen,  
But now I long to go home.  
Back to the lawn inside the old gate,  
To the old apple tree's pleasant shade;  
To the unpainted door, the old kitchen stove,  
To the scrubbed-white deal table, home-made.  
I'd see the old clock on the wall-shelf again,  
I'd drink from the mug at the spring;  
I'd stretch out once more on the old home-made couch,  
I'd hear the old dinner bell ring.  
I'd walk through the orchard among the old trees,  
I'd wander around the old barn;  
I'd pet the old horses and cows in their stalls;  
I'd lead them to drink at the tarn.  
I'd harness the team as I did years ago,  
I'd drive them out to the plow;  
I'd try once more a straight furrow to make,  
Again wipe the sweat from my brow.  
I'd work all the day till the sun went down,  
Just to see how much I would tire;  
I'd come in after dark my supper to eat,  
There smoke by the old kitchen fire.  
Then off to my bed, the creaking rope bed;  
On its straw tick 'neath the blankets I'd creep,  
And never wake up till the five o'clock bell  
Called me back from the best land of sleep.

Men's suits are supposed to be cut along  
sober lines, but they still have hip pockets.

Now ships are turned out while-you-  
wait, with other ships waiting to sink them.

All too few men can be firm without be-  
ing insulting.

## British Capture Mersa Matruh

Attempted Axis stand is broken. Axis forces, full speed in pursuit of the main body of the Afrika in full retreat, attempted to make a stand at Mersa Matruh, attacked from East and West, soon Matruh but were soon overcome. The 8th Army's capitulated. Picture shows British tanks running main forces by-passed the town and pressed on at down the last hill into Mersa Matruh.

"By Jove, I am not covetous for gold nor  
care I who doth feed upon my cost; it  
yearns me not if men my garments wear;  
such outward things dwell not in my de-  
sires; but if it be a sin to covet honour  
I am the most offending soul alive."

King Henry V, Part 1, Act 4, Scene 3.

**S**o said King Henry V of  
England on the eve of an  
invasion of the continent of  
Europe five centuries ago.

At Agincourt the arms of England  
won a victory that lives inscribed for  
evermore on the national scroll of  
honour. Today Shakespeare's words  
re-echo in our ears as we Canadians  
prepare to offer our wealth, our goods,  
our blood, in a cause more honour-  
able than Henry's; more honourable  
than any that history has yet record-  
ed. Do we, too, covet honour more  
than cost, more than gold, and out-  
ward things? Let it not be said that  
even the least one among us has  
failed to back the attack.
